RE: I wrote to you and no help or answer and still the 800 Phone number from the P-D office is not working, It's so I don't call them.

I need help I even put in grievance and medical grievance and no help at all, It's like no one care if I live or die, the grievance was because the law libry is not letting me make copy's for 2 week's that is wrong my lawyer & us court need these copy's, why I don't think D-O-C wants the court to get all they have done to me, to leave me in pain, like the man who die 8-24-07,

I wrote to you for help a lot of time and no answer like I am no one and left in pain, medical does the same. I am Human not a animal to be left in pain. Please help & don't punish me like H-R-Y-C-I did, for me asking for help & The P-D number is not working it should not be busy on sunday the P-D office is close.

I am having problem with the medical Dep, I come from H-R-Y-L-I because I put a lawsuit on them for not helping me, now C-M-S here is not caring also I been having problem also with a nurse - michelle ward, I did wrote a medical Grievance said what she has done and why did the other Guy's who refuse the T-B shot was not wrote up our put in the restrictive setting and was wrote up and put in MSPA?

I am to sick and in pain to go thour this, on T-B test I alway test "t", michelle ward when she want to give me a shot, I dont trust this woman because she give me a shot with out the Dr order and I have a T-B shot when I came in 3-29-0 so if they did not need it, Its not my doing, now think if I did had T-B this Mold Jail would of getting it because medical did not do there job, but nurse & Dr said it was good the first T-B shot Thank God. so I have to pay for C-M-S not doing there job.

RE: Letter to the us count Lawyer

I am answering the things you ask of me to write

① My Liver I have hepatitis C

② I want treatment to get better & be seen by a Dr who is not from C-M-S because C-M-S is saying there is nothing they could do for me.

③ To get also pay for all the medical neglected & pain & suffering emotionally & mental that I been in. It's wrong to have someone to go thour what these people have put me thour and have people said no to you when you are crying in pain and on the floor, I been thour Hell with these people, to fast let them get away to what they done to me, If they can't help me get help, let me go home and get the righ help and die with my love one,

so I am asking for what I ask in the lawsuit and yes I want the Jury to see & hear my cry for help and let them determine my case and even if they look at me as a inmate like you said they will look at me and see that I am a Human being to go thour what they put me thour even animal get better treatment than us, Yes my Eighth Amendment has been violated. Thank you & God Bless.

sincerely  
David DeJesus Sr

S. can you send me copy's of all

Medical Record from C-M-S it will

show all the lie's. can I see you face to face. I can show you better my case
